Adult Clinical Track

Master of Science
2013
University of Miami, Coral Gables, FL
APA Accredited Clinical Psychology Program
Adult Clinical Track

Bachelor of Arts
2009
Koç University, Istanbul, Turkey
Major: Psychology

LICENSES AND CERTIFICATIONS

California Psychologist License PSY 30391
CPI/Nonviolent Crisis Intervention

CLINICAL EXPERIENCE

THERAPY CHANGES, San Diego, CA
Licensed Clinical Psychologist
January 2019-Present

Provide evidence-based individual and group psychotherapy for adult clients in a private practice setting. Interventions are grounded in Cognitive Behavioral Therapy and Acceptance and Commitment Therapy.

ROGERS BEHAVIORAL HEALTH, San Diego, CA
Clinical Supervisor
January 2019-March 2020

Supervised therapists and oversaw the clinical treatment program for OCD, anxiety, and mood disorders at partial hospitalization and intensive outpatient levels of care.

SHARP MCDONALD CENTER, San Diego, CA
Clinical Psychology Post-doctoral Fellowship (APA-Accredited)
Post-doctoral Fellow
Specialization: Substance Use and Co-occurring Disorders
October 2017-October 2018

Provided individual and group psychotherapy using evidence-based treatments, including CBT, ACT, DBT, and Motivational Interviewing for adult patients with substance use disorders and co-occurring

diagnoses, including mood and anxiety disorders, PTSD, psychosis, eating and personality disorders in an inpatient residential program and a partial hospitalization program. Conducted process groups, family psychoeducation and support groups, and family meetings. Provided supervision to predoctoral interns. Developed a Mindfulness-Based Recovery curriculum as part of an evidence-based practice implementation. Developed and provided a cultural competency training on Substance Use and Co-occurring Disorders to staff. Assisted in the collection and aggregation of program evaluation and outcome data. Conducted psychosocial and psychodiagnostic assessments to assist with treatment planning. Conducted crisis evaluation and provided stabilization services for patients with suicidality and self-injurious behaviors. Consulted with an interdisciplinary treatment team. Provided case management and discharge planning services.

SHARP HEALTHCARE, San Diego, CA
Clinical Psychology Doctoral Internship Program (APA-Accredited)
Doctoral Intern
August 2016-August 2017

Provided individual and group psychotherapy and conducted psychodiagnostic assessments for adults, children, and adolescents with a variety of diagnoses including substance use disorders, mood and anxiety disorders, thought disorders, personality disorders, post-traumatic stress disorder, and obsessive-compulsive disorder. Supervised practicum students, attended treatment team meetings, and coordinated care within an interdisciplinary treatment team.

PROGRAM FOR ANXIETY, STRESS, AND OCD, University of Miami, Coral Gables, FL
Graduate Student Therapist
July 2015-June 2016

Provided weekly exposure-based cognitive-behavioral psychotherapy for adult clients with obsessive-compulsive spectrum disorders.

MIAMI VETERANS AFFAIRS HEALTHCARE SYSTEM, Miami, FL
Practicum Student Therapist
September 2014-June 2015

Provided weekly individual therapy for veterans with serious mental illness and comorbid medical conditions. Diagnoses included schizophrenia and bipolar spectrum disorders, major depressive disorder, borderline personality disorder, and post-traumatic stress disorder. Facilitated therapy groups including Cognitive Behavioral Therapy for Psychosis, Dialectical Behavior Therapy, Social Skills Training for Schizophrenia, Mindfulness-Based Cognitive Therapy, and Health Promotion/Disease Prevention. Conducted neuropsychological assessments.

SOUTH FLORIDA STATE HOSPITAL, Pembroke Pines, FL
Practicum Student Therapist
August 2013-June 2014

Provided weekly individual therapy to individuals presenting with psychotic and affective disorders, suicidal and homicidal ideation, and personality pathology who were committed under civil and forensic statutes. Most frequent diagnoses included schizophrenia spectrum disorders, personality pathology, affective disorders, and substance use. Case conceptualization and interventions were cognitive and dialectical behavioral. Facilitated weekly groups including Dialectical Behavior Therapy for borderline personality disorder and Risk Management for individuals adjudicated “not guilty by reason of insanity.” Administered neuropsychological batteries, conducted initial and annual psychological evaluations, substance use screenings, and motivational assessments.

PSYCHOLOGICAL SERVICES CENTER, University of Miami, Coral Gables, FL
Practicum Student Therapist
May 2012-July 2013

Provided outpatient individual therapy for adults from the Miami area representing a wealth of racial and ethnic groups, religions, and socioeconomic status. Diagnoses included major depressive disorder, obsessive-compulsive disorder, and post-traumatic stress disorder. Treatment orientation was integrative and drew from cognitive behavioral, motivational, and mindfulness-based approaches. Conducted comprehensive psychological evaluations of intellectual, achievement, cognitive, emotional, and behavioral functioning for adults and children.

CLINICAL RESEARCH EXPERIENCE

PROGRAM FOR ANXIETY, STRESS, AND OCD, University of Miami, Coral Gables, FL
January 2012-June 2016

Conducted diagnostic assessments using the Structured Clinical Interview for DSM to determine eligibility for research studies examining obsessive-compulsive disorder and hoarding disorder. Completed semi-structured outcome assessments for a study investigating the efficacy of a cognitive-behavioral group intervention for hoarding disorder.

ANXIETY RESEARCH AND TREATMENT CENTER, University of Miami, Coral Gables, FL
August 2011-December 2011

Co-facilitated an evidence-based 12-week cognitive-behavioral group intervention for social anxiety disorder.

SCHIZOPHRENIA FAMILY LABORATORY, University of Miami, Coral Gables, FL
September 2009-May 2011

Co-facilitated a weekly culturally informed multi-family group therapy for individuals with schizophrenia and their family members.

RESEARCH EXPERIENCE

PROGRAM FOR ANXIETY, STRESS, AND OCD, University of Miami, Coral Gables, FL
Graduate Research Assistant
January 2012-July 2016

Served as project coordinator for studies examining cognitive and familial factors in hoarding disorder, variability of obsessive-compulsive symptoms; cognitive vulnerability factors for anxiety disorders, and the role of emotions in disgust reactions. Assisted with data collection, the training and supervision of undergraduate research assistants, data management, statistical analyses, and IRB reports.

ANXIETY RESEARCH AND TREATMENT CENTER, University of Miami, Coral Gables, FL
Research Coordinator
August 2010-December 2011

Assisted with a social anxiety treatment study investigating longitudinal change in attention biases, stress reactivity, self-reported symptoms. Supervised undergraduate research assistants, managed participant recruitment, and conducted outcome assessments.

SCHIZOPHRENIA FAMILY LABORATORY, University of Miami, Coral Gables, FL**Laboratory Manager**

September 2009–May 2011

Worked on a longitudinal study examining the effectiveness of a psychosocial intervention for individuals with schizophrenia and their family members. The intervention followed a 15-session format, and included modules on family collectivism, psychoeducation, spiritual coping, communication training and problem solving. Assisted with data management, supervised undergraduate research assistants, and conducted psychosocial assessments.

SOCIAL PSYCHOLOGY LABORATORY, Koç University, Istanbul, Turkey**Undergraduate Research Assistant**

June 2007–July 2009

Designed an independent study investigating mother-adolescent relations across European and Turkish cultures, conducted literature reviews, assisted with manuscript preparations, edited chapters of Dr. Çiğdem Kağıtçıbaşı's book, *Human and Humans in the Contemporary World*, and translated chapters of *Family, Self and Human Development Across Cultures* from English to Turkish.

HONORS AND AWARDS

- 2018 **Team CORE Award for Chemical Dependency Program Development** along with the Sharp McDonald Center team
Sharp HealthCare, San Diego
- 2015 **Academic Excellence, Leadership, and Service Award**
Graduate Student Association, University of Miami
- 2015 **Research Seed Fund Award**
Psychology Graduate Student Organization, University of Miami
- 2014-2016 **Commendation for Excellence in Academics, Research, and Clinical Activities**
Department of Psychology, University of Miami
- 2011-2015 **Max and Peggy Kriloff Graduate Research Travel Award**
College of Arts & Science, University of Miami
- 2011-2015 **Graduate Activity Fee Allocation Committee Research Travel Award**
Graduate School, University of Miami
- 2005-2009 **Dean's List & Vehbi Koç Scholar**
Koç University

GRANTS AND FELLOWSHIPS

Fred C. and Helen Donn Flipse Research Support Fund, University of Miami, Miami, FL
Principal Investigator (2012-2013) *Attentional Biases, Emotional Arousal, and Post-Event Processing in Social Anxiety: An Eye-Tracking Study*

National Science Foundation, Graduate Research Fellowship, Arlington, VA
Graduate Research Assistant (2011-2015) *The Relationship between Disgust and Environmental Decision-Making*

TEACHING EXPERIENCE

Course Instructor, University of Miami, Coral Gables, FL
Psychology 650: Adult Psychopathology – SCID Lab (Fall 2015)

Responsible for teaching appropriate use of the Structured Clinical Interview for DSM-5 (SCID-5), as part of the laboratory component of the Adult Psychopathology course for first year doctoral students.

Course Instructor, University of Miami, Coral Gables, FL
Psychology 240: Abnormal Psychology (Spring 2014)

Responsible for a 32-student undergraduate course, including lecturing, testing, and grading. Covered DSM-5 diagnoses, etiological factors, and evidence-based treatments. Encouraged interaction with the empirical study of abnormal psychology through reading and discussion of research articles.

Language Lab Instructor, University of Miami, Coral Gables, FL
Directed Independent Language Study (Fall 2013, Fall 2015)

Responsible for providing instruction on grammar and speaking in the Turkish language and teaching the Turkish culture.

Research Assistant Supervisor, University of Miami, Coral Gables, FL
Program for Anxiety, Stress, and OCD (Fall 2011-Summer 2016)

Supervised undergraduate research assistants, including providing direct mentorship and assistance with honor's theses.
