

## Psychologist Career Opportunity

Therapy Changes is seeking a Licensed Psychologist in the state of California to join our multi-specialty [team](#). Our spacious and luxurious office is conveniently located in Mission Valley.

This opportunity is for a full-time therapist to enjoy the independence and autonomy of private practice with the security of client coordination, administrative support, marketing, and billing services. All Psychologists are independent contractors and are thus responsible for a rental agreement and a fee-share arrangement for the cost of services provided.
